Introduction to D.C. Hunger Solutions

- ❑ Founded as an initiative of the Food Research and Action Center in 2002, D.C. Hunger Solutions seeks to create a hunger-free community and improve the nutrition, health, economic security, and well-being of low-income District residents by:
 - ❑ Improving public policies to end hunger, reduce poverty, promote nutrition, and increase the availability of healthy, affordable food in low-income areas;
 - ❑ Maximizing participation in all federal nutrition programs; and
 - ❑ Educating the public about both the stark reality of hunger's existence in the midst of plenty and the real opportunities for effective solutions.

Food Insecurity in the U.S.

❑ The USDA defines food insecurity as, "a household-level economic and social condition of limited or uncertain access to adequate food."
(Rabbitt, M. P., Reed-Jones, M., Hales, L. J., & Burke, M. P. (2024)

❑ In 2023,

- Roughly 14% of households in the US reported experiencing food insecurity at least once during the year
- Among households with children, roughly 18% reported food insecurity
- Households made up of Black and Hispanic individuals experienced higher food insecurity than other groups at 23.3% and 21.9% respectively

Food Insecurity in D.C.

- ❑ Grocery store access, public transportation access, housing costs, racism, and historic disinvestment all affect food insecurity rates in D.C. (Jones, L.N. (2024))
- ❑ 679,947 people live in the District
- ❑ In 2023, roughly 9% of households in D.C. were food insecure

D.C.'s Grocery Stores

- ❑ As of 2024, Ward 3 has 14 grocery stores while there is only one store East of the River (Giant on Alabama Ave SE)
- ❑ While grocery stores continue to be built in other wards, Wards 7 and 8 have been left behind

Overview of SNAP

What is SNAP?

- ❑ The Supplemental Nutrition Assistance Program (SNAP) is a federal nutrition program that provides monthly benefits on an EBT card to eligible individuals. It can be a useful tool to help households pay for groceries and maximize their budgets.
- ❑ SNAP can be used at most stores that sell food. It can be used to purchase non-prepared foods, as well as plants and seeds to grow your own food.

SNAP in the District

- ❑ About 141,300 District residents participate in SNAP
- ❑ For every \$1 spent on SNAP, \$1.80 of economic activity is generated. SNAP is a **stimulus program**.

D.C. Hunger Solutions

What is a SNAP Household?

- ❑ A group of people who live together, buy food as a group, and prepare meals as a group. They do not have to be related.
- ❑ There are many scenarios in which more than one SNAP household can share the same residence.
- ❑ A SNAP household does not necessarily need a permanent mailing address.

D.C. Hunger Solutions

What is a SNAP Household? (cont.)

- ❑ The following people **must** be considered a household, even if they purchase food separately:
 - ❑ Spouses who live together
 - ❑ Parents and children under 22, even if the child is married or has a child of their own, who live together

SNAP Income Guidelines

❑ Two income guidelines:

❑ Gross income: amount of income a household receives before taxes and deductions

❑ Must be below 200% of the federal poverty guidelines

❑ Households with older adults (60+) and people with disabilities are not subject to gross income limits

❑ Net income: amount of income a household has after taxes

❑ Must be below 100% of the federal poverty guidelines

Earned v. Unearned Income

- ❑ Earned Income: income from a job
- ❑ Unearned Income: anything else, including cash assistance, Social Security, unemployment payments, retirement benefits, and child support
- ❑ This is an important distinction, as they are calculated differently.
